Why does Hawaii's former Housing Chief NANI MEDEIROS portray herself more like pole dancer than an administrator? (NOT A TRICK QUESTION)

Because she acted like a predatory and exploitative NWO land-grabber in the aftermath of what is now known variously as the DEW-triggered Hawaiian holocaust, the Maui massacre, or the Lahaina inferno.

Holocaust, Maui Massacre and Lahaina Inferno—THAT'S WHY!

How coincidental was it that: the Hawaii State Government formed a 36-member housing development approval panel, which was created under an emergency proclamation in July, just before the fires broke out on Maui. The DEW-triggered Lahaina Inferno totally devastated the town on August 8, 2023.

Such highly suspicious timing only serves to confirm that the Lahaina Inferno was carefully planned out to the very last detail. And that it was designed as a **HUGE** land grab from start to finish. See: [Was The Manmade Maui Firestorm Really A **HUGE** Land Grab? You bet it was! \(Video\)](#)

However, the *Alt Media's* immediate response to this NWO genocide and property-theft black operation clued many victims in to the malevolent globalist back story. Everything that went wrong was perpetrated to go wrong ON PURPOSE on that dark day in Maui. In so doing, the perps thought they would simply steal everyone's land and real estate in order to implement their various UN agenda goals. However, things are not working out so well for the land grabbers and genocidal maniacs.

Isn't there something very, VERY wrong with that picture?

Everything points to NANI MEDEIROS being carefully selected and groomed for her hatchet-man position. After all, cunningly stealing land from people who just suffered the greatest loss of property and possessions is an extremely cruel and nefarious and ugly thing to do.

Medeiros' perfidious performance shown in the following video only validates that she was chosen to carry out the most treacherous part of this black operation. Then, when she was called out for her scandalous misconduct, she did what every narcissistic sociopath does: she and her boss, Governor Joshua Green, falsely accused her perfect foil — popular professional mixed martial art fighter B.J. Penn — of 'despicable behavior'.

Amid mounting conflict, state's housing chief resigns because of political, personal

As you can see from the previous video presentation, Penn did not exhibit even a hint of bullying behavior, he just told the raw truth in a way that government hack hates.

Talk about D E S P I C A B L E

What the Hawaiian governments — ON EVERY LEVEL — have perpetrated against their own residents is nothing less than a horrendous genocide that was quickly followed by a predacious land theft (in-progress) carried out before anyone had a chance to think about the highly organized and well planned crime spree.

Conclusion

There are now volumes of irrefutable evidence proving that the transparently manmade firestorms in Maui were DEW-triggered and then rapidly spread via high-frequency microwave weaponry known as MASER.

As for this entire Gladio-style false flag black operation, the following report contains enough hard evidence and scientific proof to convict virtually every single stakeholder in this odious land grab.

Which brings us to one and only one conclusion: that the “**HAWAIIAN HOLOCAUST, MAUI MASSACRE & LAHAINA INFERO**” was a genocidal plot to facilitate a naked land grab which was then exposed by telltale government moves and maneuvers.
